

To Whom It May Concern

Mdm Teh Hui Lin, Regina

Regina was engaged to work with my son, Shaun Kok, of Regent Secondary School on the following secondary school curriculum, from June 2012 to November 2014:

- 1) Lower secondary 2 Elementary Mathematics
- 2) 'O' Level Elementary Mathematics
- 3) 'O' Level Principles of Accounts
- 4) 'O' Level Additional Mathematics

Over the course of 2 ½ years, Regina's method of coaching was innovative, which makes learning fun, engaging and comprehensive.

She is approachable, cheerful, hardworking, patient, determined and self-disciplined with a pleasant disposition. She paid careful attention to the ongoing needs of her students and strives to maintain good relationship with them, as well as the parents of her students.

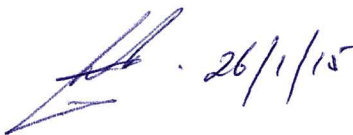

She devotes a lot of her time to her work and approaches her work with determination and perseverance. Her diligence and willingness to reach out to students who need assistance in their academic work are of great help in whatever she undertakes. She is well-disciplined and determined who perseveres in her efforts to improve herself constantly.

Under Regina's guidance, Shaun's academic curriculum improved tremendously over the 2 ½ period under her care.

I would like to take this heartfelt opportunity to thank Regina for her hardwork and effort in coaching my son till 'O' Levels.

Thank you, Regina.

Yours sincerely,
